

Certificate in Mineral Processing

Introduction to Mineral Processing

```

mindmap
  root((Introduction to Mineral Processing))
    Mineralogy
      Ore texture
      Mineral ID
    Comminution
      Crushing theory
      Grinding mills
    Separation
      Gravity methods
      Magnetic separation
    Flotation
      Bubble attachment
      Reagent chemistry
  
```
