

Certificate in AI Applications in Environmental Sustainability

Robotics and Automation in Environmental Monitoring and Conservation

mindmap

```

root((Robotics and Automation in Environmental Monitoring and Cons))
  Robotics Basics
    Robot Kinematics
    Sensor Integration
  AI Techniques
    Machine Learning
    Computer Vision
  System Design
    Modular Systems
    Mission Planning
  Field Deployment
    Data Management
    Stakeholder Engagement
  
```
