

Global Certificate in AI for Veterinary Medicine (Part II)

Deep Learning for Veterinary Pathology

```

mindmap
  root((Deep Learning for Veterinary Pathology))
    Deep Learning
      Neural Networks
      AI Algorithms
    Veterinary Path
      Disease Diagnosis
      Histopathology
    AI Applications
      Image Analysis
      Data Mining
    Diagnostic Tools
      Model Training
      Data Annotation
  
```
