

Graduate Certificate in Design and Analysis of Tall Buildings

Performance-Based Design of Tall Buildings

mindmap

```

root((Performance Based Design of Tall Buildings))
  Design Basics
    Performance Targets
    Design Codes
  Wind Engineering
    Wind Loads
    Turbulence Models
  Seismic Design
    Ground Motion
    Response Spectra
  Fire Safety
    Fire Growth
    Smoke Transport
    
```
