

Deep Learning in Digital Pathology

# Convolutional Neural Networks for Histopathology

mindmap

```

root((Convolutional Neural Networks for Histopathology))
  Neural Networks
    Deep Learning
    Image Analysis
  Histopathology
    Disease Diagnosis
    Tissue Samples
  Convolutional
    Image Classification
    Feature Detection
  Deep Learning
    Model Training
    Data Evaluation
    
```
