

Global Certificate Course in Biomass Pyrolysis (Advanced)

Biomass Pyrolysis Introduction

```

mindmap
    root((Biomass Pyrolysis Introduction))
        Biomass Pyrolysis
            Thermal Decomposition
            Bio Oil
        Renewable Energy
            Greenhouse Gas
        Sustainable Development
        Bio Products
            Bio Fuels
            Bio Chemicals
        Energy Security
            Power Generation
            Waste Reduction
    
```
