

Undergraduate Certificate in Machine Learning for BIM

Introduction To Machine Learning

mindmap

```

    root((Introduction To Machine Learning))
      Machine Learning
        Data Analysis
        Model Training
      BIM Basics
        Data Structures
        Interoperability
      Predictive Models
        Pattern Recognition
        Optimization
      Digital Twins
        Sensor Feedback
        Data Integration
  
```
