

Professional Certificate in Energy Efficiency and AI in Green Buildings (Advanced)

# Energy Modeling for Smart Buildings

mindmap

```

    root((Energy Modeling for Smart Buildings))
      Energy Modeling
        Building Simulation
        Energy Efficiency
      Smart Buildings
        AI Integration
        Data Analytics
      Sustainability
        Green Buildings
        Climate Action
      AI Applications
        Machine Learning
        Optimization Techniques
  
```
